3/19/94

Dear Richard the Trappist,

But then love does overcome all and excuse almost anything!

If it is not too late, three corrections, soriety for society, lair for liar and worst of all. Case Opened for Case Closed.

I'll rush into town to get this mailed so maybe you can have it Monday a.m.

If it is still open, I'll Express Mail it.

Our best

Harold

Also o 176, coup de' etat for coup d'etat.
